Judges Critique

CRITIQUE BRITISH DALMATIAN CLUB CHAMPIONSHIP SHOW SATURDAY 7 NOVEMBER 2026
DOGS
Many thanks to the officers and committee and exhibitors for making this one of my most enjoyable judging experiences. I had a lovely day, spoilt for choice with so many good Dalmatian males to assess. The atmosphere around the ring was very pleasant, temperaments were excellent . My thanks to my two stewards Sarah Jane Finch and Kelly Barnes, who were efficient and thoughtful throughout the day.
My co-judge Sharon Ridgeway and I were in agreement for all the challenges, and we both agreed that the Dalmatians were excellent examples of the breed and the final choices were on a splitting of hairs.
My overall observations are that the Dalmatian males are in a good place, in some tails do still need to come down, for some dogs it is just youth, and the tail set is fine, just pure exuberance. Coats, and temperaments were good throughout. This time I saw less dogs who were lacking in forechest than in previous appointments.
BABY PUPPY DOG 2 (1)
What a lovely start to the day:
1st Gardner Sylkiedals Black in Vogue at Wrendragge, well constructed happy puppy of 5 months, he has excellent bone and cat feet, naughty but nice expression, dark eye and good reach of neck, well placed shoulder, pure white coat with deeply pigmented black spots, . Moved out with ease and drive. Delighted to award him with my co judge best baby puppy in show over the really delightful bitch puppy Pedlarâ€™s Putinato Ballante Zecret Zilhoutte Zilloinaire (Imp Bel). Two very exciting prospects for the future.
MPD 7(1)
1st Dunnachie Dvojica Graffiti Artist, 7 month old black spotted dog, even decoration , pleasing head and expression he has a nice depth of chest, well ribbed back, shown in excellent condition, and well muscled, delightful temperament, moved out well, really enjoying himself, a puppy being a puppy as it should be. Lots of promise and as always by this handler sympathetically and kindly presented.
2nd Collierâ€™s Kallierbelle Bonsai, I really liked this youngster, 6 months old, kind head, correct scissor bite and good eye colour, deep brisket, good width through the stifle, as is to be expected he needs to settle in topline, but a real roly poly puppy, everything in the right place, kindly and expertly handled.
3rd Smith Spotamourâ€™s Phoenix Rising
PD 6 (1)
1ST Page, Page Page and Howell Philemon Vom Roten Herzfleck at Winflash (Imp Deu),
Upstanding quality Dalmatian, he has a ghost face, which I love, excellent pigment , with such an appealing expression, evenly deocorated, with clearly defined spots. Balanced front and rear, good lay of shoulder , well filled forechest, deep brisket, good bone and feet, shown in excellent condition, well muscled, beautifully handled , moved out with an even gait BPD.
2nd Petersenâ€™s Kelevra Sole Mate for Daedalus, lots to like about this happy boy, deep pigment and even spotting, attractive head with masculine expression, dark eye, well arched neck, into a well held topline, good muscle tone, he moved out sound and true, he just needs to lower his tail to complete the picture, a promising Dalmatian.
3rd Short Winflash Jacqermis at Zakaytha
JD 6
1st Bridge and Meyer Tamilanda Staropramen for Akoni,
Liver spotted dog, kindest of expressions with a good amber eye colour, good reach of neck, well filled forechest, strong straight forelegs. He keeps his topline on the move, powerful length of stride, standing he presents a pleasing picture, he does however, need to lower his tail on the move, that may well be down to puppy exhuberance but at the moment it does spoil his outline, he has a good temperament, and much to like about him.
2nd Christieâ€™s Sophtspot Extra Spicy, attractive rich coloured liver dog, handsome head , not quite the shoulder placement of winner, being more forward set, . Good bone and deep brisket, well muscled hindquarters, moved out with a rhythmic stride.
3rd Brooks and De Rozario Jemblewood Resolute Stork
YD 4
1st Marley and Clement A Spotified Young Forsetti for Perditaâ€™s JW (Imp Bel),
I really liked this liver boy, he has such clean lines, masculine , yet gentle expression, good reach of neck into well placed shoulders, elbows close to the body. Rich liver spotting, well off for bone, and muscled throughout, he banged his tail before coming into the ring, but this is a temporary thing and his happy temperament was there for all to see. Did not detract from his overall virtues.
2nd Cattermole Anima Cordis man in the mirror for Kalvadene for Hafwenna JW (Imp Pol),
Well constructed dog , Presents with a pleasing outline, kind expression, good amber eye colour , even decoration, well arched neck, deep chest, strong muscled hindquarters and second thigh. Lovely temperament, moved well especially in profile.
3rd Brown Tamilanda Shining Star
ND 3
1st Short Winflash Jacquerrus at Zakaytia, 11 month old black spotted dog . A handsome head of good proportions. . Lovely kind expression, good depth of brisket,firm over the loin, and muscled hindquarters, with correct bend of stifle. Evenly distributed decoration. Kindly handled, moved with drive and purpose.
2nd Whincup Tamilanda Starlight, 14 month old liver, well bodied up and of good proportions, balanced front and rear. Good muscle tone. He has an appealing expression,beautifully broken ears and good amber eye colour, well arched neck, and good lay of shoulder, kindly handled, sound and true mover, just needs to relax a little more in the ring

3rd French Tamilanda Golden Snitch
GD 6
1st Williams and Tanswell Carodal Welcome way via Waltzaway JW, 19 month old black dog shown in excellent condition, masculine head,with good dentition, well placed ears. Muscular neck, into good shoulder, deep brisket and well filled forechest, muscled hindquarters which enabled him to cover the ground with drive.
2nd Bridge and Meyer Tamilanda Staropramen for Akoni
3rd Brooks and De Rozario Jemblewood Resolute Stork
PGD 5
A class of very different types
1st Davies Hafwenna King John at Teghafren, I have judged this dog before and he has done well under me, today he could carry more weight to advantage, he is though a well balanced Dalmatian, nothing fancy, and he moves so well, easy easy stride and he could indeed go all day. He has an appealing expression, well arched and strong neck into good shoulders, good bone and tight cat feet. Good muscle, spotting could be larger but his super movement won him the class.
2nd Pratt Lyndalla Bail me out, liver dog, head of good proportions, and correct eye colour. Fair reach of neck and good topline, well muscled and good bone , would prefer more width through stifle, moved soundly.
3rd Richardson Portunes St Jimmy at Exayeex
MLD 3
1st Page, Page Page and Howell Winflash Tom Ford, upstanding black dog, presents with a lovely balanced outline, clean withers, strong arched neck, deep brisket, strong straight bone, good feet, firm topline. Muscular rear, strong well let down hocks, excellent temperament, shown in fabulous condition. Easy and active on the move with a good length of stride..liked him a lot.
2nd Wootton Tolkain Caliban, well constructed dog with a good reach of neck, well filled forechest, straight forelegs , kind in expression and good eye colour, happy dog and he moved well especially in profile.
3rd Whitton Thearrix One Thing Only
LD 13 (2)
1st Corcoran and Howard Riddle Shydally Star Gazer, this was a class of lovely Dalmatians, but this dog who I have admired since a puppy today, in excellent company reached for the stars and got his crown, he just pulled out all the stops. Shown in gleaming condition, dense black spotting on a pure white coat, such a kind yet masculine head, with the softest expression, well arched neck , he stands with good bone and tight feet, good forechest, plenty of heart and lung room, strong over the loin and kept his topline on the move, Muscluar hindquarters with a well defined second thigh, beautifully presented, and when he moves, he has that steady easy gait that means he would indeed go all day behind a horse and carriage, a real endurance dog. a partnership of love, my pleasure to award him DCC Best Black dog and with my co judge Reserve best in show. His star shone brightly today.
2nd Watts and Jackson Watts Jaxsondal Rocket Man, a real quality Dalmatian liver spotted with the most lovely expression, broken ears and excellent amber eye colour, good reach of neck into well laid shoulder placement. Strong straight bone , excellent topline , well sprung ribs, correct croup and tail set. Evenly decorated and of good colour. Kindly handled, he moved straight and true, both up and back and in profile. A good representative of the breed.
3rd Goddard and Barry Dalberry that boy is mine.
OD 8 (1)
1st Wilkins Salvadorada Heads will roll JW, handsome liver spotted dog, head of good proportions lovely expression and well held ears. Clear coat and well defined spotting. Strong topline, balanced front and rear, muscular hindquarters and well let down hocks which he uses to advantage. Liked his effortless movement another who could go all dayâ€¦â€¦
2nd Philip and DunnachieCh Dvojica Enrique, a quality black spotted dog, beautifully presented, even decoration, super temperament, well arched neck , balanced front and rear, kind expression, would prefer a slightly larger ear and lower set to complete the picture, moves out soundly and with purpose.
3rd Bickerdike Jaxsondal CrÃ¨me de la CrÃ¨me at Koroyza
Special memorial open dog 7
1st Dinsdale Ch Dotlun Apache Running Bear JW, a bit of a clichÃ© to say I have admired this dog from ringside, but I have indeed done that, he certainly does not disappoint under the hand. A stallion dog, well constructed liver, super head and good eye colour, well off for bone and cat feet, well filled forechest, strong arch over the loin, excellent muscle tone, deep brisket. He moved easily both going away and the up and back. Delighted to award him Res DCC, best liver dog.. a smashing Dalmatian.
2nd Stocks Ch Dalmarkâ€™s Jubilations at Nospar, a delightful Dalmatian, well constructed, loveliest of heads and expression, strong neck and deep brisket, and well ribbed back. Excellent topline, well developed second thigh. Used his hocks to advantage on the move. Happy exhuberant temperament, a typical Dalmatian in every sense of the word, a pleasure to judge.
3rd Whincup Tamilanda Vintage Gold
Special JVD 9
A class where I really did need more red cards. Judging veterans in our breed is so special, we are truly blessed that Dalmatians in their advancing years maintain their joie de vivre and their boundless energy. I loved judging the veteran classes today and all exhibitors are to be congratulated on the high standard of condition in their dogs.
1st Green and Sears Ch Alphadal Aint Misbehaving at Judally JW ,well put together liver dog of 8 years, shown in excellent condition. Kind yet masculine head, clean outline, even decoration of excellent colour. Good bone and feet, deep chest correct in top and underline, powerful rear, shown beautifully, moved out with a powerful stride delighted to award him Best Veteran dog and later with my co judge BVIS.
2nd Richardson Ch Maplewell Pocket Rocket, aptly named black spotted dog of seven years. Loved his expression and dark eye, balanced front and rear, strong topline, deep brisket, well muscled and presented . He moves soundly and with purpose, both first, second and third placed a credit to the breed.
3rd Page Page Page and Howell Ch Bleize de Mont Juic at Winflash (Imp USA)

Special Senior Veteran dog 2
Two seniors presented in great condition
1st Wallington Sophtspot, in the zone, hard to believe this dog is 10 years of age..obviously no one has told him. Lovely for type, , good overall balance, handsome head of good proportions, deep chest and good width through forechest. Well made hindquarters, sound mover who can cover the ground.
2nd Gardinor Dakata Duranta, ten and half years of age, kindest of heads, well arched neck and correct shoulder placement. Evenly decorated and deep black pigment, good topline and strong hindquarters moved out well but not as strongly as winner today.
BRACE CLASS
Judged jointly with Sharon Ridgeway and I think we were in agreement that we much admired the ability of the exhibitors to run around the ring with not one but two Dalmatians in unity..truly impressive.
1st Howard Riddle Brace of a dog and bitch, who were matched for type and uniformity.
2nd Smith Brace These two went very well , and very obviously well trained and schooled.
3rd Tillson Brace Liver spotted girls who were of similar type and kept pace with each other moving around.
