MPD (4) 1 Carroll, Salvadorada Morpheus Of Dalpaulisa, very smart 8 month old boy, masculine head and lovely expression. Correct length of neck, good shoulder placement, just the right amount of bone and good feet. He was well bodied and in good muscular condition with a firm topline. Played up a little with his handler but did enough to win the class today and went on to outperform the bitch puppy to win BP.
2 Lockhart, Salvadorada Mischief Maker Of Lockdalm. Litter brother to the first place boy. Another nice puppy, who was a nice size, good head proportions, dark eyes, neck ok, correct topline and tail set. Needs to settle both standing and on the move but this will come with time.
3 Webster, Tamilanda Bright Star For Dalmarno.

PD (6) 1 Carroll, Salvadorada Morpheus Of Dalpaulisa - 1st in previous class.
2 Reide-West, Jemblewood Northern Stork. 9 months old liver boy who had a lovely head and expression. When stood correctly had a lovely outline but the handler tended to over stretch him. He had good length of neck, correct bone, and tight feet. He had a well angled rear and good spotting. He never stopped wagging his tail and moved ok.
3 Lockhart, Salvadorada Mischief Maker Of Lockdalm.

JD (3) 1 Clement & Marley, Spottified Young Forseti For Perdita's (Imp Bel). All 3 boys in this class at that typical teenage age, all being full of themselves and putting their handlers through the mill! This boy was a pleasing size and when stood had a good outline. His head proportions are correct well-placed eyes, correct ear set, enough neck and topline. He had a deep chest, well angled front and rear with good bone and feet. He moved the best in this class.
2 Williams & Tanswell, Carodal Welcome Way Via Waltzaway. A bigger built boy here today, having said that he did have a lovely balanced head and pleasing expression. He had enough neck, with deep chest slightly longer cast than my class winner. Would have preferred a little more hind angulation. Moved ok.
3 Hughes, Carodal Wanderlust Way.

PGD (6) 1 Barrett, Dalamanti's Guardian Angel JW, this black spotted male gave a lovely outline standing and responded well to handler. His head is well balanced with well-placed ears, dark eyes and correct bite. He has good front assembly, deep chest and firm loin. His tail set is correctly. He has a well angled muscular rear which showed in his positive movement both ways.
2 Pearson, Kelevra Beam Me Up Biscotti. This 2 year old black was slightly smaller than my class winner, but having said that he is balanced in all departments. He has a classic head with good width to skull, correct ear set, just the right amount of stop, dark eyes. He is well ribbed with firm topline, moved well both ways, close decision between these two males.
3 Richardson, Portunes St Jimmy At Exayeex JW.

LD (10,1a) 1 Stocks, Dalmark's Jubilations At Nospar JW, this was a very nice class with some quality males. This liver boy I had previously judged as a puppy and awarded him BP and today he outshone all the other males. He is masculine throughout without being overdone. He has an excellent balanced outline. He has a lovely head and expression with flat skull with good width, just the right amount of stop, correct eye placement, correct bite. He has a well arched neck, flowing into correct front assembly with good bone and feet with well arched toes. His chest is deep with good ribbing and firm topline. He has a well angled muscular rear and his movement is true both ways. Very pleased to award him the DCC which I was told afterwards was his 3rd, well done he is a lovely boy.
2 Moss, Sadiedel Let Ur Heart Decide JW, this is another very well made male slight smaller than my class winner but has a lovely balanced outline. He has a balanced head with gentle expression and good black pigmentation. He has just the right amount of neck which flows into correct forequarters he has tight elbows. His topline is firm and a correct tail set. His rear is well muscled and has the correct angulation. He moved soundly both ways. Pleased to award him the RDCC.
3 Newton, What You See Is What You Get Passionate About You.

OD (2) A 1 Foxall, Cotterspot Swaledale Duke. This boy was in Limit and was outshone by some quality males and unplaced. He is not a bad size and shape and was in good overall condition both in body and muscle tone. His head is ok and his spotting was ok. He has a nice temperament and was happy, enjoying himself.
2 Wilkins, Gloriandus Petersburg At Salvadorada, this 5 year old boy is a big boy throughout and is just too big for me.

He was in good overall condition both in body and muscle. He had a nice expression and temperament.

VD/B (5) 1 Wallington, Sophtspot In The Zone. At nearly 10 years old this boy has a balanced outline. I liked his size, he is in very good overall condition both in substance and muscle tone. He has a pleasing head and expression with good pigmentation. He still holds his topline and is well bodied, good bone and tight feet. His chest is deep and he is well angled both front and rear. He is a happy and sound mover. BV.
2 Finlay, Dalfin Actual Fact ShCEx VW. Another oldie who is in very good condition all-round. He has a lovely head and expression and good spotting. I just felt today that my class winner held his topline better on the move.
3 Cuthbertson, Ch Ch Ellemstra Little Mix With Kalsidoni.

MPB (2) 1 Wilkins, Salvadorada Mirror Image, at 7 month this black spotted girl was feminine and had a balanced outline. She has a pretty head and expression dark eyes and correct bite. She has good bone but not overdone and deep chest, correct feet. Moved the best in this class today.
2 Quayle, Beaumont & Rachael Cubalibre Triple Hazy, another nice youngster at 9 months, she just needs to pull herself together both standing and on the move. Having said that he has good angles both ends is well bodied and a pleasing head and expression. Her movement needs to settle as it was hard to assess.

PB (6) 1 Grant, Salvadorada Lady Of The Glen For Bevahalli. Very nice puppy bitch at 11 months. Delightful head and expression with correct flat skull, just the right amount of stop. Correct arched neck, good front assembly, firm topline and good tail set. Well angled rear and moved well.
2 Wilkins, Salvadorada Mirror Image - as previous.
3 Newton, Salvadorada Light It Up For Chizzmic.

JB (5) 1 Christie, Sophtspot Wild Child. A wild child she certainly is, full of herself both standing and on the move. At 13 months old she has plenty of time. She has a well-balanced head. She holds a lovely outline with a great neck good front assembly. She is good overall muscular condition and moved with plenty reach and drive.
2 Grant, Salvadorada Lady Of The Glen For Bevahalli - As previous.
3 Hughes, Carodal Camino De Santiago.

PGB (6) 1 Scott, Sophtspot Whirlwind. What a young star this is. At only 13 months she is very eye catching and stylish. She is balanced in outline, a lovely size, feminine throughout. She has a lovely head and expression with good pigmentation. Her head is balanced with flat skull, well placed eyes, correct ear set and good dentition. She has a good neck and is well angled both front and rear with just the right amount of bone, correct feet. Her chest is deep and she has a firm loin with a good tail set. She moved soundly both ways. She caught my eye in the bitch line-up and I was pleased to award her RCC. I am sure she has a very bright future ahead of her.
2 Stocks, Sophtspot Sparkler At Nospar. Another very nice girl here today who again was feminine with a balanced outline when stood. She has a lovely head and expression with good pigmentation. Her neck flows well into her front assembly, she has good ribbing and firm loin. She moved well both ways. Unlucky to meet the class winner today.
3 Vockings, Portunes Whatsername.

LB (8,2a) 1 Quayle, Cubalibre Star Attraction JW. A very well made liver girl here today. Won this class on her overall shape and size not too exaggerated in any department. She is in very good overall condition. Her head is feminine with correct muzzle. She has a deep chest. She is slightly long in loin but holds her topline well. She moves well driving from the rear.
2 Valentine, Dvojica Fizzy Pop, a finer built girl than my class winner but has a balanced outline. She has a very pretty head with dark eyes, good length of neck, and just enough substance. She has well angled rear with good turn of stifle. She moved well both ways responding to her handler.
3 Hughes, Carodal Coast To Coast.

OB (9,2a) 1 Lamb, Ch Dalpetro Dotty JW. This black spotted bitch stole the whole entry today. I judged her as a puppy and awarded her BP and now at nearly 5 years old I still love her. At first glance she is balanced in outline, a lovely size and never stops showing. She has a great balanced head, good pigmentation, dark eyes, powerful but still feminine muzzle, correct dentition. Her neck is correct for length and nicely arched. She has a good layback of shoulder, tight elbows, good bone and correct feet. She is well ribbed, with a firm loin and well-set tail which never stopped wagging. She is in hard muscular condition and was a joy to watch on the move. I was very happy to award her the CC and BOB. Very pleased to see her shortlisted in the group.
2 Quayle, Ch Cubalibre Wishing Star JW. This liver girl is a nice shape with a very pleasing head and expression. She is well made throughout with good front and rear angles and just the right amount of substance, firm topline. In very good overall condition. She moved well both ways. Unfortunately, she was not happy today and I was told later did not like the noise in the hall.
